## HANDLOOM EXPORT PROMOTION COUNCIL

HEPC is a nodal organisation constituted under "The Ministry of Textiles, Government of India" to promote the exports of all handloom products like home furnishings, carpets, floor coverings, clothing accessories, fabrics etc.

The basic objective of HEPC is to provide all support and guidance to the Indian Handloom exporters and International buyers for trade promotion and international marketing.

HEPC was constituted in the year 1965 with 96 members and its present membership is over 1500 spread all over the country.

The Handloom industry mainly exports bed linen, table linen, toilet and kitchen linen, towels, curtains, cushions and pads, tapestries and upholstery, carpets and floor coverings, clothing accessories, fabrics etc.

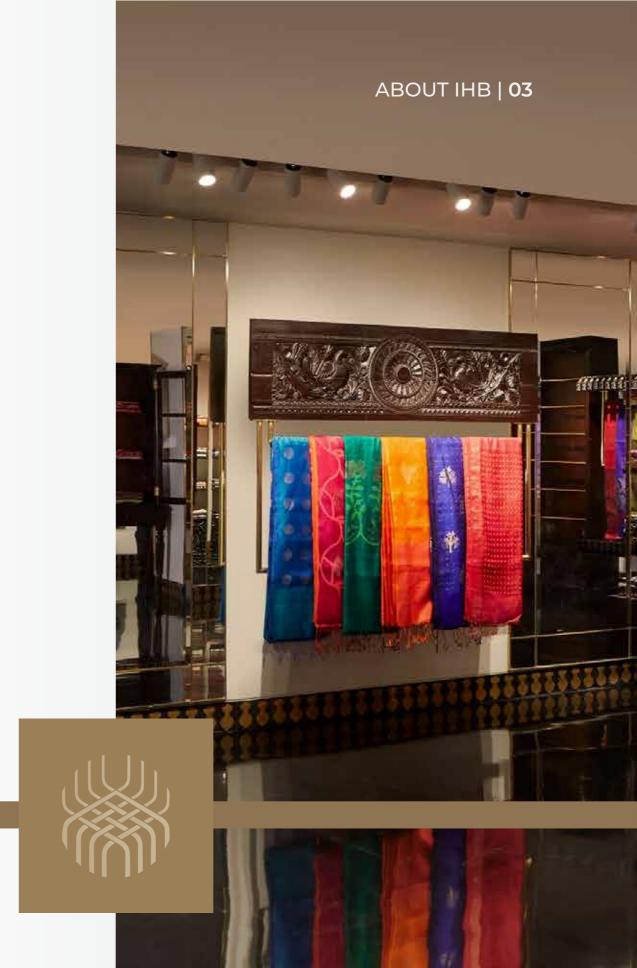

## INDIA HANDLOOM BRAND

"India Handloom" brand was launched by the Ministry of Textiles, Govt. of India to endorse the quality of the products in terms of raw material, processing, embellishments, weaving, design, defect free handwoven authentic niche product having Zero defect and Zero effect on environment and other parameters besides social and environmental compliances for earning the trust of customers.

The concept of "India Handloom" is to brand the handwoven products which are exclusively catering to the "quality" need of the socio-environmentally conscious customer. All "India Handloom" Brand products are 100% defect free and do not compromise on the usage of natural colours, skin friendly dyes and natural fibres. Please visit www.indiahandloombrand.gov.in to order your chosen product from any of the IHB e-commerce partner sites.

Introduction of "Handloom" Mark by the Government of India is also helping in establishing a clear identity of genuine handloom products with the consumers.

IHHS brings together manufacturers, suppliers and related services in Handloom sector under one roof to showcase their merchandise to discerning buyers.

#### WHY IHHS | 07

# WHY

Due to the Covid-19 outbreak, many countries have imposed travel restrictions on non-essential travel, forcing businesses across the world to switch to remote working. During this challenging time, to inspire innovation, the industry has turned to digital solutions, signaling the rise of the virtual trade shows.

The virtual exhibition not only facilitates social distancing but also reduces carbon emission compared to the conventional means of such events. Region-specific shows help to understand the specific market requirements and showcase solutions accordingly. More and more buyers are in search of making direct contact with competent, high-quality manufacturers through the shortest and safest route.

This platform provides an opportunity to participate, network & nurture your textile business.

#### VIRTUAL EVENT | 08

#### **Cost Effective**

Virtual BSM is a cost effective method which eliminates travel & stay. It allows you to experience the exhibition in the comfort of your home.

#### **Fast-Paced**

It is easier to make connections, Virtual BSM is fast-paced since buyers do not have to move physically from one booth to another.

#### **Easy Access**

Since everything is online buyers can easily record important information right on their electronic devices.
