## 2+2 Call 2024 on **AI for Sustainability**

Friday, 8 December 2023 | 2.30 PM IST | 10.00 AM CET onwards

The Indo-German Science & Technology Centre (IGSTC) was established to facilitate Indo-German R&D networking through substantive interactions among government, academia/research system and industries, thus fostering innovation for overall economic and societal developments in both the countries. Through its flagship program “2+2 Projects”, IGSTC intends to catalyse innovation centric R&D projects by synergising the strength of research/academic institutions and public/private industries from India and Germany.

IGSTC is organizing a virtual event to promote its upcoming Call 2024 on the thematic area “AI for Sustainability”. IGSTC has invited top experts and scientists from India & Germany to have an insightful and immersive session for subject knowledge and bilateral research & partnerships.
