Research & Academic Opportunities in India

VISITING ADVANCED JOINT RESEARCH

VAJRA is a Govt. of India Faculty Scheme dedicated exclusively for overseas scientists and academicians (including Non-resident Indians, and Persons of Indian Origin/Overseas Citizen of India) to work as adjunct / visiting faculty for a specific period of time in Indian public funded academic and research institutions. The scheme recognizes the value of collaborative research as a crucial element for information sharing among researchers for updating and acquiring knowledge and skills, and also to draw different perspectives to solve a shared problem. Accomplished overseas scientists are welcome to take up challenging research problems in the Indian setting.
