MAKE IN INDIA MITTELSTAND!

INVITATION TO MIIM WEBINAR

**“INSIGHTS AND OPPORTUNITIES IN SOLAR PV
MODULES AND ENERGY STORAGE**

24TH MARCH 2021; TIME: 10:00-11:00HRS CET

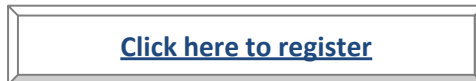

MIIM Team cordially invites you for MIIM webinar on “Insights and Opportunities in Solar PV Modules and Energy Storage” to be conducted on 24th March 2021; Time: 10:00-11:00Hrs CET (14:30-15:30 Hrs IST), to be conducted in association with Invest India, EAC, and IGEF – SO

India’s National Solar Mission targets installing 100 GW grid-connected solar power plants by the year 2022. There is a significant demand for PV modules and associated components in India which offers investment opportunities for manufacturing various solar components locally in India.

The webinar will provide insights into the Government policies, reforms and incentives available for German companies interested in setting up manufacturing facilities in the country.

We look forward to welcoming you to the MIIM Webinar.

Note: After registering, you will receive a confirmation email containing information about joining the webinar.

About MIIM

Make in India Mittelstand (MIIM) is a Business Support Programme launched by the Embassy of India in Berlin for German Mittelstands for their entry into the Indian market. So far, 150 German companies are supported as part of the MIIM Programme.
