**INVITATION TO MIIM WEBINAR
“DECODING NEW LABOUR CODES”**

28 JULY 2021; 10:00 - 11:00 CET (13:30 - 14:30 IST)

MIIM team cordially invites you to a webinar on “Decoding New Labour Codes” to be conducted on 28 July 2021 from 10:00 to 11:00 hrs CET. The webinar is organised in association with MIIM Tax & Legal Partner Roedl & Partner.

The current existing structure of multiple and archaic Indian labour laws is often seen as an impediment amongst foreign market players from the perspective of ease of doing business in India. Amongst other objectives, the Indian Labour Ministry has amalgamated 29 Labour laws into 4 Codes to address this challenge which marks a step towards changing the Indian Labour Law regime. This webinar will provide insight to significant changes introduced by the upcoming 4 Labour Codes in terms of reducing compliance burden, to further ease of doing business in India, providing flexibility to employers in terms of hiring and work hours. Some of the major changes may call companies to revisit their operational and employment structure.

Detailed agenda of the webinar is enclosed. We are looking forward to welcoming you to the MIIM Webinar.
