Sir/Madam,

**Subject: Seeking support in circulation of Expression of Interest (Eol) floated by BHEL for entering into a License and Technology Collaboration Agreement for Gas Insulated Circuit Breaker (GCB) and/or Gas Insulated Substation (GIS) & Hybrid GIS (H-GIS)**

Bharat Heavy Electricals Limited (BHEL), a Maharatna CPSE of GoI, intends to enter into a License & Technology Collaboration Agreement with OEMs of Gas Insulated Circuit Breaker (GCB) and/or Gas Insulated Substation (GIS) & Hybrid GIS (H-GIS).

In this regard, BHEL has floated the Expression of Interest (Eol) on BHEL's website [www.bhel.com](http://www.bhel.com) seeking response from OEMs, who own this technology and are interested to discuss regarding transfer of technology for Gas Insulated Circuit Breaker (GCB) for Gas Insulated Substation applications and/or Gas Insulated Substation (GIS) & Hybrid GIS (H-GIS) with BHEL.

We seek your kind support in further circulation of the attached Eol document to the technology owning companies engaged in this business, so that BHEL can receive a wider response.

Thanking you,

Yours sincerely,

(Rajesh Kohli)
