Madam/ Sir,

Subject: BHEL India seeks response against Expression of Interest (Eoi) for partnership with BHEL for EHV Gas Insulated Substation (GIS) & Hybrid GIS (H-GIS)

Season's best greetings from Bharat Heavy Electricals Limited (BHEL), India.

BHEL is a leading state-owned company, wherein Government of India is holding 63.17% of its equity. BHEL is an integrated power plant equipment manufacturer and one of the largest engineering and manufacturing organization in India, catering to the core infrastructure sectors of energy, transportation, heavy engineering industry, defense, renewable and non-conventional energy.

BHEL is seeking interest from GIS Original Equipment Manufacturers (OEMs) for partnering with BHEL for GIS & H-GIS in the voltage range of 72.5 kV to 400 kV and/or 800 kV through a suitable partnership mode (long term Technology Transfer Agreement/ any other route). In this regard, BHEL has floated an Expression of Interest (Eoi) seeking responses from technology owners/OEMs willing to be associated with BHEL.

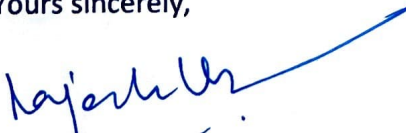

We have uploaded the Eoi document at BHEL website (www.bhel.com) and the same is also available through the following link:

<https://bhel.com/expression-interest-eoi-partnership-bhel-ehv-gas-insulated-substation-gis-and-hybrid-gis-h-gis>

We seek your kind support in further circulation of the attached Eoi document in your country of operation to the technology owning companies engaged in this area, so that BHEL can receive a wider response.

Thanking you,

Yours sincerely,

(Rajesh Kohli)
